(A) The Tampa Bay National Estuary Program (hereinafter, "Tampa Bay Estuary Program" or "Program") was established in 1991 to assist the Tampa Bay area in developing a comprehensive plan to restore and protect Tampa Bay. The Tampa Bay Estuary Program was created by Interlocal Agreement dated February 27, 1998 (the "Prior Interlocal Agreement") and is governed by a Policy Board and advised by a Management Board. The Tampa Bay Estuary Program is a part of a national network of twenty-eight (28) National Estuary Programs established under the Federal Clean Water Act and administered nationally by the United States Environmental Protection Agency.
(B) Local government and regulatory agency participants in the Tampa Bay Estuary Program consisting of the Parties described in the Preamble above, as well as the United States Environmental Protection Agency and the United States Army Corps of Engineers, have developed and unanimously adopted a Comprehensive Conservation & Management Plan for Tampa Bay, known as Charting the Course, dated December 1996, which was updated in May 2006, and amended in February 2013 (the "CCMP"), and are committed to its successful implementation. The CCMP seeks to ensure that Tampa Bay remains a vibrant part of the region's environmental and economic landscape by preserving and enhancing its roles as a recreational resource, international seaport and home for fish and wildlife.

(C) The CCMP presents goals for the improvement of Water & Sediment Quality, Bay Habitats, Fish & Wildlife, Spill Prevention and Response, Dredging and Dredged Material Management, Invasive Species, Public Education and Involvement, and Climate Change which will be reexamined at least once every five (5) years and updated as appropriate. To achieve the CCMP goals, this Agreement emphasizes regional cooperation and regulatory flexibility that allows the Parties to select cost-effective and environmentally beneficial bay improvement options for their communities, so long as the goals of the CCMP are met.

(D) The parties to the CCMP and the Interlocal Agreement dated February 27, 1998, established the Tampa Bay Estuary Program as the first National Estuary Program to adopt a binding agreement to ensure that the CCMP is implemented, and now seek to ensure that the CCMP continues to be properly and effectively implemented.

NOW THEREFORE, in consideration of the mutual promises contained in this Agreement, the receipt and adequacy acknowledged by them, the Parties agree as follows:

Should no action by the Parties occur, this Agreement shall continue for another five year period.

ARTICLE FOUR – CCMP

4.1 Adoption of CCMP Goals and Priorities. The Parties hereby agree that the Goals for Tampa Bay described in the CCMP are approved and adopted by each of them. The Goals for Tampa Bay are to maintain important water quality and seagrass gains achieved over the last decade to allow the eventual recovery of seagrass to acreage observed in 1950. The Goals focus on issues that must be addressed to sustain a healthier bay that will support both recreation and commerce. These issues include seagrass and nitrogen load management, coastal habitats, toxic contaminants, atmospheric deposition, bacterial contamination, fish and wildlife, spill prevention and response, dredging and dredged material management, invasive species, public education and involvement, and climate change. The Goals shall be achieved in the manner described in Section 4.3 below. The Parties shall use their best efforts to achieve the Goals within the time periods prescribed, and shall work cooperatively to achieve all of the Goals applicable to them in a cost-effective manner. Additionally, the Parties agree to work together in good faith and through their best efforts to address other actions and recommendations in the CCMP.

4.2 Modification. The CCMP and its incorporated Goals for Tampa Bay shall not be amended, changed, extended, modified or supplemented without the unanimous written consent of all of the Parties, to be decided in their respective sole and absolute discretion. The Goals shall be reexamined by the Tampa Bay Estuary Program at least once every five (5) years in light of new knowledge or changed circumstances and updated accordingly. The Policy Board may elect by a majority vote to
reexamine the Goals more frequently if warranted by them. When it has been determined by the Policy Board unanimously that a Goal has been met, the Policy Board will thereafter support efforts by the Parties and the Consortium, as appropriate, that provide for the ongoing maintenance of the resource.

4.3 **Goals: Achievement.** The only CCMP Goal that is to be achieved individually by any of the Parties is the nitrogen loading reduction/management, to be accomplished by the Local Governments and other members of the Consortium, as described in the “Reasonable Assurance Addendum: Allocation and Assessment Report” dated September 11, 2009, as that Report may be amended from time to time, and implemented through actions identified in the Consortium’s Action Plan Database (“Action Plan Database”). The Tampa Bay Estuary Program shall facilitate and assist the Parties to collectively address the remaining CCMP Goals. If a cumulative Goal, other than the nitrogen management loading goal, is not met within its stated goal period, then the Tampa Bay Estuary Program will develop the additional projects necessary to address the shortfall, including the funding sources, which projects and funding are subject to the approval of the Policy Board.

4.4 **Nitrogen Management Consortium Responsibilities.** The Consortium participants have made and are expected to continue to make significant contributions toward achieving the CCMP goal of nitrogen loading management by meeting entity-specific nitrogen load allocations as identified in the “Reasonable Assurance Addendum: Allocation and Assessment Report” dated September 11, 2009, and approved by the Consortium participants.

4.5 **Existing Projects.** The Parties shall be able to take into account, in their nutrient management actions, projects that accomplish their designated responsibilities to the extent that such projects were completed and became operational on or after January 1, 1995.

The obligations of the Funding Entities hereunder are subject to annual appropriation of legally available non ad valorem funds by their respective governing boards, and shall not constitute or create a pledge, lending of credit or lien, either legal or equitable, of or on any of their ad valorem revenues or funds, or upon any
other revenues or funds of the Funding Entities, as may be construed under the laws or the Constitution of the State of Florida. Neither any Funding Entity nor any other person or entity shall ever have the right to compel any exercise of ad valorem taxing power by any other Funding Entity to make the payments herein provided, nor shall this Agreement constitute a charge, lien or encumbrance, either legal or equitable, upon any property or funds of any Funding Entity.

(c) Notwithstanding anything contained herein, each of the Funding Entities reserves the right, in its sole discretion, to pay the funding obligations contemplated by this Agreement from any Funds legally available for such purpose.

**ARTICLE EIGHT – DEFAULT**

In the event any Party is determined to be in willful and significant noncompliance with the CCMP Goals or with the terms of this Agreement, the Policy Board may, by a unanimous vote by all Parties except the Party charged with being in default, recommend the removal of such non-complying Party from this Agreement. Prior to any such vote by the Policy Board, the non-complying Party shall be given a notice of its non-compliance and an opportunity to remedy the problem within a reasonable period or to a public hearing before the Policy Board if there is a dispute whether a default exists. If a Party is found to be in noncompliance with permits by the applicable Regulatory Agency(ies), the permit granting agencies may take actions to enforce their permits against such non-complying Party under their own respective laws and regulations. If any Party is discharged under this Article Eight, (i) all monies previously paid hereunder shall be conclusively deemed earned and not subject to return to such Party, (ii) any future funding responsibility of such party shall terminate, and (iii) this Agreement shall continue as to the remaining Parties. Provided, however, any funds paid before termination but not expended shall only be used by the Tampa Bay Estuary Program in accordance with the approved budget for which such contribution was made.
ARTICLE NINE – NOTICE

Any and all notices required or permitted to be given hereunder shall be in writing, and shall be provided if either personally delivered to the Party at the addresses set forth in Exhibit "B," transmitted by electronic facsimile machine to the fax numbers listed, or sent by U.S. certified or registered mail, postage prepaid, return receipt requested, to such addresses, all such notices being effective upon delivery to and receipt by the Parties, unless the respective Party or Parties notify all other Parties in writing in accordance herewith of a change of address and/or representative at such address authorized to receive any and all such notices, in which case any and all such notices shall be delivered and/or mailed as aforesaid to said Party or Parties at such new address with respect to such Party.

ARTICLE TEN – WITHDRAWAL OF A PARTY

Notwithstanding anything contained in this Agreement to the contrary, any Party hereto shall have the right to withdraw as a Party to this Agreement by providing one hundred eighty (180) days prior written notice as set forth in Article Nine above. Such withdrawal of a Party shall occur only if the withdrawing Party provides one hundred eighty (180) days prior written notice to the other Parties. On the day following the end of such one hundred eighty (180) day period, the withdrawing Party shall no longer be considered a Party to this Agreement. Provided however, even though such withdrawing Party shall have withdrawn as a Party to this Agreement as set forth above in this Article, such withdrawing Party shall continue to be subject to all applicable laws and regulations, without the benefit of being a Party hereto to this Agreement. If a Party withdraws under this Article Ten, (i) all monies previously paid hereunder shall be conclusively deemed earned and not subject to return to such Party; (ii) the future funding responsibility of such Party shall continue for the longer of the period of such one hundred eighty (180) days or until the end of the current fiscal year, and (iii) this Agreement shall continue as to the remaining Parties.
